КРИТЕРИИ ЗА ОЦЕНЯВАНЕ:

Изпитът се провежда в две части- писмена и устна. Писмената част включва тест, който се оценява по следния начин:

Оценката се формира по формулата $4 \times A / B + 2$

A= брой получени точки

B= общ брой точки от теста

Устната част на изпита включва диалог и самостоятелно изказване. Критериите за оценка са: произношение, познаване на лексиката, отговор на въпроси, създаване на кратък устен текст. Окончателната оценка е средноаритметична от двете части.
